The Essex Park 3-C Program

Completely Convinced Customers

- Throughout the entire building process you will deal directly with the same Project Manager. The Coolman staff works as a team, not as commissioned individuals. You are the team's top priority.
- You are guided through the entire construction process by our "Construction Manual", a comprehensive guide to the building process. Ask your Project Manager to review a copy with you.
- Coolman provides the most comprehensive warranty in the building business - two years of whole house coverage, with an additional two years on roof systems, and an additional 8 years of coverage on the structure.
- Coolman Communities has one of the best service departments in the business - a team of professionals dedicated to providing superior, timely and comprehensive service.
