

We thought you'd like to know...

## Don't take our word for it!

In these "*We thought you'd like to know...*" sheets, we've provided you with a lot of information about how we do business, and why we do it that way. We've also outlined a lot of construction practices that we believe will provide you with a healthier, more energy efficient, and higher value home.

### **But don't take our word for it!**

There are three really good, independent; web sites that we'd suggest you consult to get the latest, most up-to-date information on a whole range of construction issues.

**Advanced Energy Corporation**
