

LET'S CELEBRATE YOUR SUCCESS – AND OURS.

If you're retiring or approaching that phase of life, it's time to celebrate. You've earned the rewards that come from a lifetime of working, raising children, and volunteering in the community.

We're celebrating, too. At Meridian Woods, we've developed a neighborhood for people age 55 and older who want to find a new home. Located on Campbell Street just north of Valparaiso High School, Meridian Woods offers homes designed for the way you want to live. And the neighborhood is just minutes from everywhere you want to go.

At Meridian Woods, Valparaiso's new and innovative retirement neighborhood, you'll have a beautiful home with the features you need, maintenance services that leave you free to travel and pursue hobbies, and the security of long range care.

Tour the Aster!

Take a tour of the Aster and see how wonderful a perfectly designed retirement home can be. This duet home, starting at just \$156,900 including the home site, offers ample square footage and features that you'll love. While you're here, you can get information about our new Meridian Woods villas. You can stop by the Campbell Street Café while you're here – it's the newest and coolest restaurant and gathering place in town!

We'll help you celebrate:

If you are 55 or older and register*, you'll receive \$5 in Campbell Street Café cash good for any food purchase at the café.
